FOR OVER **200** YOUNG PEOPLE

Drive Forward is a charity that is powering care-experienced young people into exciting and sustainable career opportunities.

They work alongside young people who have grown up in care to unlock their potential and help them build confident, independent futures. Through bespoke career pathways, one-to-one mentoring, employability workshops and long-term support, they break down barriers to work and create real routes into employment.

40%

of care leavers are not in employment, education or training

30%

of those young people experience homelessness within 6 months of leaving care

“

Drive Forward’s support has been monumental - I am finally able to step onto the corporate career ladder, which has previously proven very difficult.
